PEACH CHUTNEY

1kg stoned peeled peaches chopped (preferably Golden Tatura)

3 ½ cups malt vinegar

2 cloves garlic, finely chopped

100g preserved ginger, finely chopped

500g dates, chopped

500g raisins

1kg sugar

2 tsp cayenne pepper

2 tbsp salt

Put first 6 ingredients (as listed above) into preserving or other large pan and boil together until soft.

Add remaining ingredients and boil about 30 minutes, stirring often.

Spoon into hot sterilised jars and seal

The longer you leave it, the nicer it gets.

Cut up fresh peaches from Webb's Fruit. For extra zing and colour add fresh or frozen raspberries.

Ice cream

Whipped cream

Cointreau

Grated chocolate and/or grated walnuts

This recipe looks good in glasses or simply use a bowl. The idea is to layer the glass starting with the fruit then the ice cream. Repeat this until close to the top.

Pour over the cointreau (about 1 tablespoon depending on size of glass).

Top with lashings of whipped cream and decorate with grated chocolate and/or walnuts.

PEACH TART WITH MASCARPONE

Roll out on baking paper your favourite crust pastry a little larger than usual.

1 cup mascarpone

1/4 cup sugar

1/4 cup toasted almond slices

Combine gently with 4-5 sliced peaches. Spoon into centre of crust.

Flop edges over, press down. Leave about 5cm hole in centre.

Bake at 175C for 20 minutes.
